

Rechargeable Candle Light Set

Rechargeable candles are perfect for weddings, parties, holiday decor, restaurants and nightclubs, camping ... and of course those romantic evenings for two.

Includes 4 - rechargeable candles, 1 - remote control, 1 - charging base, 1 - power supply.
Input voltage 100 - 240V

Charging Instructions

1. Insert male power supply jack into charging base. Plug power supply into wall socket.
2. Red indicator light will illuminate when charging.
3. Indicator light turns green when fully charged. Charge time 8 - 9 hours.
4. Unplug the power supply to re-activate charging base.

Note: The indicator light will stay green after each charging cycle, until the power supply is unplugged.

IMPORTANT:

Failure to follow these instructions voids manufacturer's guarantee.

1. Batteries should be charged prior to use.
2. Only use the power supply provided with the charger base in this package. Failure to do so may permanently damage the base. Manufacturer is not responsible for failure to follow these directions.
3. If you are not going to use for more than 4 weeks, fully charge the battery and make sure the on/off switches in off position. During long-term storage, battery should be charged and discharged once every six months.
4. Before using a new battery for the first time, or after long-term storage, please fully charge the battery.
5. Do not incinerate or mutilate batteries. Battery may burst or release toxic material.
6. Do not subject batteries to adverse condition such as extreme temperature, excessive overcharge or discharge.
7. Store batteries in a cool dry place.
8. When the battery power is low during use, please switch off device to avoid overly discharging the battery.
9. Never put a battery into water or seawater.
10. Indoor use only.
